

## Systematic Review Data Extraction Form

1. Study Number
2. Citation: \_\_\_\_\_
3. Reference:      Year: \_\_\_\_\_ Vol: \_\_\_\_\_ No: \_\_\_\_\_ Pages: \_\_\_\_\_
4. Timing of Assessment:      Med School       Internship   
   Residency       Practice
5. Research question(s)/hypotheses/objectives:  
\_\_\_\_\_  
\_\_\_\_\_
6. Study design:      Prospective cohort       Retrospective cohort   
   Case control       Unclear   
Others (please specify) \_\_\_\_\_
7. Sampling & Sample size      Random Sample       Entire batch       Unclear   
Others (please specify) \_\_\_\_\_
- Sample Size: \_\_\_\_\_
8. Reliability of instruments :      Given       Not given

| <b>Instruments used:</b> | <b>Reliability Coefficient:</b> |
|--------------------------|---------------------------------|
| i) _____                 | _____                           |
| ii) _____                | _____                           |
| iii) _____               | _____                           |
| iv) _____                | _____                           |
